EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Dustin Mauck, Reg # 57872 on 3/13/06.

The application has been amended as follows:

As claim 10, line 4, "in the system" should change to " in a system".

As claim 19, line 1, from "a computer" to "the digital processor." of line 11 has been replaced with -- a computer program product having a medium with a computer program code for allocating orthogonal codes embodied thereon, the telecommunications system comprising: a digital processor for executing the computer program code stored on the medium for determining an effective number users equal to the product of a number of active users in the telecommunications system, and a value relating to F, wherein F represents the average number of sectors that a mobile station may obtain service from concurrently; allocating sufficient orthogonal codes to service the effective number of users; and transmitting one or more messages indicating the number of allocated orthogonal codes to one or more mobile stations from a base station. --.

Allowable Subject Matter

2. Claims 1-27 are allowed.

Art Unit: 2665

3. The following is an examiner's statement of reasons for allowance: the prior arts in the record fail to a method and system for determining an effective number users equal to the product of a number of active users in the telecommunications system, and a value relating to F, wherein F represents the average number of sectors that a mobile station may obtain service from concurrently; allocating sufficient orthogonal codes to service the effective number of users; and transmitting one or more messages indicating the number of allocated orthogonal codes to one or more mobile stations within structure of the claims 1, 10 and 19.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Steven HD Nguyen whose telephone number is (571) 272-3159. The examiner can normally be reached on 8-5.
